MEPRO 4X/6X

Day Scope with x4 or x6 Magnification

OPTICS

The MEPRO 4X/6X is a x4 or x6 magnification, compact and lightweight, telescopic day sight. Utilizing a quick release Picatinny adaptor, this MIL-STD sight provides five different brightness settings for efficient target acquisition in any tactical situation. Energy efficient, the sight operates on a single battery and features auto shut-off after one hour. The MEPRO 4X/6X is an extremely robust and easy-to-use tool, ideal for modern combat operation.
